

Strategic HealthWare Solutions

**FOR IMMEDIATE RELEASE**

**BlueWare Recognized as a “Top Area Health Technology Provider”**

***(Grand Rapids Business Journal Reports on Nov. 24, 2008)***

Cadillac, MI—December 18, 2008 –The Grand Rapids Business Journal announced West Michigan’s Top Area Health Technology Providers in their November 24th 2008 edition. BlueWare was ranked 7th out of 18th in this year’s recognition. The rankings are based on responses to Business Journal Surveys and 2007 annual revenue.

BlueWare’s CEO Rose Harr said, “BlueWare is committed to Michigan and appreciates the recognition for our team, Cadillac, and the health industry by the Grand Rapids Business Journal.”

The Grand Rapids Business Journal is the business newspaper of Metro Grand Rapids, Holland, Muskegon, and West Michigan. It is published weekly and features a special Journal Focus section as well as informative columns, profiles of local businesspeople, public record, business calendar of events and more.

**About BlueWare, Inc.**

BlueWare is an international software corporation dedicated to the healthcare industry. We develop and support a family of products that delivers a comprehensive electronic health record.

BlueWare believes in a healthcare environment where information is accessible, accurate, and comprehensive. We devote our work to advancing a longitudinal electronic health record that interoperates with various systems to create the most complete record on the market. We believe that we can utilize each system within your facility to coordinate all patient information together into one user-friendly system, creating the all digital health record from “cradle to grave”.
