### **BlueWare, Inc. Named “Top Star”**

#### *IBM Global Public Sector Recognizes BlueWare as “Top Star” Business Partner*

Cadillac, Michigan—May 5, 2008 – IBM’s Global Public Sector announced April 30<sup>th</sup> during the Business Partner Leadership Conference that BlueWare has been named a “Top Star” Business Partner for 2008. Only six Business Partners were recognized with this prestigious award, and BlueWare is a two time recipient. Rose Harr, President and CEO of BlueWare, was honored to be recognized and shared, “BlueWare is uniquely qualified to work in the Public Sector as our software is designed for large populations. I am touched that IBM has once again chosen us for this award, and thank my team for their hard work in achieving this distinction.”

BlueWare was chosen by the channel sales teams and industry executives because they consistently demonstrated the “Best of the Best” qualities that ensure a successful partnership with IBM, as well as success in the marketplace.

IBM details those qualities as:

- Innovation that matters in an on-demand world
- Loyalty to IBM
- A strong adoption of IBM platforms and open architecture
- A strategic commitment to partnership with IBM
- Leads with IBM
- Has an excellent success story that demonstrates what we have achieved together

"IBM and BlueWare, Inc., a 2008 IBM Public Sector Top Star business partner, are committed to improving the health, education, security and prosperity of citizens and nations around the world," said Pamela Kaplan, Vice President of Marketing, IBM Global Public Sector. "We are grateful to BlueWare for the work they are doing. Together we are making a difference in people's lives by delivering innovative solutions to the world's greatest challenges."

#### About BlueWare, Inc.

BlueWare is an international Strategic Healthware Solutions corporation located in Cadillac, Michigan. The development and marketing of software and hardware products specific to the healthcare industry is the major focus of our business. BlueWare develops and supports a family of software products, including the award-winning Wellness Connection, targeted at providing an on-line medical record for hospitals.

We employ a staff of highly skilled and certified professionals, teachers and healthcare leaders to perform in two distinctive areas, Industry Consulting and Product Specialization. Our associates are proficient in many healthcare related fields, and familiar with the issues of today's healthcare provider, distinguishing ourselves as a solution provider for the healthcare industry.

BlueWare's cause is noble, through our products we are committed to improving the quality of life for the people in the communities we serve. We strive to address the challenges and develop products that take into consideration the

concerns of healthcare providers; security, cost, installation time and training. We are committed to the integrity of our service and to building relationships with our clients as they grow and prosper.

As an IBM Premier Business Partner, our mission is to build upon the platforms in place of healthcare providers-- by creating solutions for the interim and assisting our industry as it changes to further assist the medical patients. We are currently aggressively partnering with the Integrating Healthcare Enterprise (IHE) and the Electronic Health Records Vendors Association (EHRVA) to create interoperability between Electronic Health Records as we move to a RHIO based market.
